A grade report a reader can inspect

ILLUSTRATIVE DESIGN • NO DATA ANALYZED

Release fields to complete

Population and period: [declare]
Data/model/policy versions: [record]
Adopting authority: [name role]

Label convention • schematic only

A	B, C	Unassessed
Earlier	Shared	Outside grades

Read the grade

Earlier: adopted-rule priority.
Shared: no internal direction.
Keep criterion profiles visible.

Inspect the release

Declare targets and a / w / τ.
Record origins and restrictions.
Keep data/model/policy versions.

Read the uncertainty

Summaries depend on the model.
Separate preferences and numerics.
No disclosure: fraction undefined.

Specify the next action

Eligibility, budget and selection need a separate published rule.
Benefit requires intervention analysis.

Input or computational error?

→ Correction review
Recalculate; record cohort and version changes.

Meaning or priority disputed?

→ Adopting authority
Record its decision or unresolved disagreement.
